FOODBORNE ILLNESS RISK FACTORS AND PUBLIC HEALTH INTERVENTIONS

Circle designated compliance status (IN, OUT, N/O, N/A) for each numbered item
 IN=in compliance OUT=not in compliance N/O=not observed N/A=not applicable
 Mark "X" in appropriate box for COS and/or R
 COS=corrected on-site during inspection R=repeat violation

Compliance Status			cos	R
Supervision				
1	OUT	PIC present, demonstrates knowledge, and performs duties		X
Employee Health				
2	IN	Management awareness; policy present		
3	IN	Proper use of reporting, restriction & exclusion		
Good Hygienic Practices				
4	IN	Proper eating, tasting, drinking, or tobacco use		
5	IN	No discharge from eyes, nose, and mouth		
Preventing Contamination by Hands				
6	IN	Hands clean & properly washed		
7	IN	No bare hand contact with RTE foods or approved alternate method properly followed		
8	IN	Adequate handwashing facilities supplied & accessible		
Approved Source				
9	IN	Food obtained from approved source		
10	IN	Food received at proper temperature		
11	IN	Food in good condition, safe, & unadulterated		
12	IN	Required records available: shellstock tags parasite destruction		
Protection from Contamination				
13	OUT	Food separated & protected	X	X
14	IN	Food-contact surfaces: cleaned and sanitized		
15	IN	Proper disposition of returned, previously served, reconditioned, & unsafe food		

Compliance Status			cos	R
Potentially Hazardous Food Time/Temperature				
16	IN	Proper cooking time & temperatures		
17	IN	Proper reheating procedures for hot holding		
18	IN	Proper cooling time & temperatures		
19	IN	Proper hot holding temperatures		
20	IN	Proper cold holding temperatures		
21	OUT	Proper date marking & disposition		
22	IN	Time as a public health control: procedures & record		
Consumer Advisory				
23	IN	Consumer advisory provided for raw or undercooked foods		
Highly Susceptible Populations				
24	IN	Pasteurized foods used; prohibited foods not offered		
Chemical				
25	IN	Food additives: approved & properly used		
26	IN	Toxic substances properly identified, stored & used		
Conformance with Approved Procedures				
27	IN	Compliance with variance, specialized process, & HACCP plan		

Risk Factors are improper practices or procedures identified as the most prevalent contributing factors of foodborne illness or injury. Public Health Interventions are control measures to prevent foodborne illness or injury.

GOOD RETAIL PRACTICES

Good Retail Practices are preventative measures to control the addition of pathogens, chemicals, and physical objects into foods.

Mark "X" in box if numbered item is not in compliance Mark "X" in appropriate box for COS and/or R COS=corrected on-site during inspection R=repeat violation

			cos	R
Safe Food and Water				
28	IN	Pasteurized eggs used where required		
29	IN	Water & ice from approved source		
30	IN	Variance obtained for specialized processing methods		
Food Temperature Control				
31	IN	Proper cooling methods used; adequate equipment for temperature control		
32	IN	Plant food properly cooked for hot holding		
33	IN	Approved thawing methods used		
34	IN	Thermometers provided and accurate		
Food Identification				
35	IN	Food properly labeled; original container		
Prevention of Food Contamination				
36	IN	Insects, rodents, & animals not present		
37	IN	Contamination prevented during food preparation, storage & display		
38	IN	Personal cleanliness		
39	IN	Wiping cloths: properly used & stored		
40	IN	Washing fruits & vegetables		

			cos	R
Proper Use of Utensils				
41	IN	In-use utensils: properly stored

Inspection Notes

Certified Food Protection Manager- Clement Yombie EXP. 6/19/2019

Eating establishments are required to submit a copy of their Certified Food Protection Manager (CFPM) certificate prior to the issuance of any new license. A CFPM must be hired within 60 days of an existing CFPM leaving employment. For a list of courses and trainers go to <http://www.maine.gov/healthinspection/training.htm>

Please provide a copy of this certification(s) to your inspector Eric Cobb by emailing to ecobb@portlandmaine.gov or faxing to 207-287-3165. A copy may also be sent to Carol Gott, Health Inspection Program, 286 Water St. 3rd Floor, Augusta, ME 04333 or carol.gott@maine.gov.

Please include the name of your establishment and the establishment ID# with your certification(s).

2013 Maine Food Code Adoption

The Maine Food Code was adopted in October of 2013. Please refer to our website for a copy, <http://www.maine.gov/healthinspection>. Following are a few of the major changes:

- " No Bare Hand Contact with Ready-To-Eat Food. Handlers are required to use gloves, utensils, deli papers, etc., to avoid bare hand contact with ready-to-eat food;
- " Establishments must have clean-up procedures for employees to follow following vomiting and diarrheal events;
- " Responsibilities of the person in charge for ill employees (exclusions and restrictions); and,
- " Date marking of Ready-to-eat potentially hazardous foods.

Violation Correction Timeframe

Critical violations should be corrected on site, but in any event, within 10 days. The licensee must contact the inspector when the critical violation has been addressed at 207- 874-8365 or email ecobb@portlandmaine.gov. Non-critical violations must be corrected within 30 days. Failure to satisfactorily correct these violations before the follow-up inspection may result in enforcement proceedings by the Department to include fines and penalties, which are outlined in Sections 7, 8 and 9 of the Rules Relating to the Administration and Enforcement of Establishments Licensed by the Health Inspection Program available at <http://www.maine.gov/healthinspection>. License renewals can be denied if violations are not corrected within the noted timeframes.

C= Critical violation and NC= Non-critical violation

"Critical violation" means a provision of the Food Code that, if in non-compliance, is more likely than other violations to contribute to food contamination, illness or environmental health hazard.

Additional Inspection Fee

License fees provide for two inspections per year. When additional inspections are required, the Department may charge an additional \$100 fee to cover the costs of each additional inspection or visit.

Document Retention/Posting

Pursuant to the Maine Food Code, the establishment's current license must be displayed. In addition, a sign or placard must be posted in a conspicuous area notifying consumers that a copy of the most recent inspection report is available upon request. CFPM certificates must be posted in a conspicuous area and must be available to the Department upon request.
