## Inspection Notes

CFPM: Patricia Vinton 11/21/12

Violation Correction Time Frame

- Critical Violations should be corrected on site, but, in any event, within 10 days. The licensee must contact the inspector when the critical violation has been addressed. Please send an e-mail to [tw@portlandmaine.gov](mailto:tw@portlandmaine.gov) or call Tom Williams at 874-8772.
- Non-critical violations must be corrected no later than 90 calendar days after the inspection. The Department may approve a compliance schedule that extends beyond the time limits if a written schedule of compliance is submitted by the Permit Holder and no health hazard exists or will result from allowing an extended schedule for compliance.

- Failure to satisfactorily correct these violations before the follow-up inspection may result in enforcement proceedings by the Department, which are outlined in Sections 6, 7, 8 and 9 of 10-144 CMR Chapter 201 available at:

[www.maine.gov/dhhs/mecdc/environmental-health/el/index.htm](http://www.maine.gov/dhhs/mecdc/environmental-health/el/index.htm)

C=Critical violation and NC=Noncritical violation

"Critical item" means a provision of the Food Code that, if in noncompliance, is more likely than other violations to contribute to food contamination, illness, or environmental health hazard.

Sec. 11-40. Penalties.

Following the issuance of a failed inspection notice and an order to correct violations, the health inspector will re-inspect the premises at a fee of seventy five dollars (\$75.00); if the follow up inspection results in another failed inspection, the violator will be charged a second re-inspection fee of one hundred fifty dollars (\$150.00). If the third re-inspection results in a failed inspection, the third and each subsequent follow-up re-inspection will result in a three hundred dollar (\$300.00) per re-inspection charge. In addition, upon the third failed re-inspection, the health inspector may order the establishment closed until the establishment yields a passing inspection.

Documentation Retention

- A copy of the most recent inspection report must be maintained at the establishment and be made available to the public upon request.
- A copy of all CFPM certificates must be maintained at the establishment.
- The establishment's current license must be displayed.
