Inspection Notes

Certified Food Protection Manager

- Unless directed otherwise, effective January 18, 2012 establishments have to have a Certified Food Protection Manager (CFPM) at each establishment as required by 10-144 CMR, Chapter 201, Section 2.
- A CFPM must be hired within 90 days of a new establishment opening or when the only CFPM leaves the employment of the establishment.
- For a list of CFPM courses and trainers go to: www.maine.gov/healthinspection/training.htm
- Upon completion of the CFPM course, please fax cover sheet and course certificate to (207) 287-3165. On the cover letter please send to the attention of Carol Gott and include your establishment name and establishment license number. Her Phone number is 287-5675. You can also mail a copy, with establishment ID number, to her at 286 Water St, 3rd Floor, 11 State House Station, Augusta, ME 04333-0011.

Violation Correction Time Frame

- Critical Violations should be corrected on site, but, in any event, within 10 days. The licensee must contact the inspector when the critical violation has been addressed. Please send an e-mail to mar@portlandmaine.gov or call Michael Russell at 756-8008.
- Non-critical violations must be corrected no later than 90 calendar days after the inspection. The Department may approve a compliance schedule that extends beyond the time limits if a written schedule of compliance is submitted by the Permit Holder and no health hazard exists or will result from allowing an extended schedule for compliance.
- Failure to satisfactorily correct these violations before the follow-up inspection may result in enforcement proceedings by the Department, which are outlined in Sections 6, 7, 8 and 9 of 10-144 CMR Chapter 201 available at: www.maine.gov/dhhs/mecdc/environmental-health/el/index.htm

C=Critical violation and NC=Noncritical violation

"Critical item" means a provision of the Food Code, that, if in noncompliance, is more likely than other violations to contribute to food contamination, illness, or environmental health hazard.

Sec. 11-40. Penalties.

Following the issuance of a failed inspection notice and an order to correct violations, the health inspector will reinspect the premises at a fee of seventy five dollars (\$75.00); if the followup inspection results in another failed inspection, the violator will be charged a second re-inspection fee of one hundred fifty dollars (\$150.00). If the third reinspection results in a failed inspection, the third and each subsequent follow-up reinspection will result in a three hundred dollar (\$300.00) per reinspection charge. In addition, upon the third failed reinspection, the health inspector may order the establishment closed until the establishment yields a passing inspection.

Documentation Retention

- A copy of the most recent inspection report must be maintained at the establishment and be made available to the public upon request.
- A copy of all CFPM certificates must be maintained at the establishment.
- The establishment's current license must be displayed.
