**ORDER AUTHORIZING AMENDMENT TO
CONDITIONAL ZONE FOR PROPERTY
IN THE VICINITY OF
DIAMOND COVE, GREAT DIAMOND ISLAND
PORTLAND, MAINE**

ORDERED, that the Conditional Zone by and between the City of Portland and The Inn at Diamond Cove LLC and the Diamond Cove Homeowners Association, adopted on _____ and incorporated by reference into the Zoning Ordinance by Sec. 14-49 of the Portland City Code, is hereby amended to read as follows:

**SUPPLEMENTAL CONDITIONS AND RESTRICTIONS
BUILDINGS 46 (“DOUBLE BARRACKS”) AND 19 (“HOSPITAL”)
FT. MCKINLEY, PORTLAND, MAINE
FEBRUARY 22, 2012**

The following supplemental conditions and restrictions are imposed by the City of Portland (the “City”) on that portion of the Ft. McKinley project (“Project”) commonly known as Buildings 46 and 19, together with the ancillary service area, all as depicted on the map attached hereto as Attachment 1 (“Premises”), as conditions of the rezoning of the Premises at the request of The Inn At Diamond Cove, LLC (“IDC”) ¹, and consented to by the Diamond Cove Homeowners Association (“DCHA”):

1. Existing Conditions. The Premises are a portion of the development commonly known as Ft. McKinley, Great Diamond Island, Portland, Maine which is subject, inter alia, to those Conditions and Restrictions recorded in the Cumberland County Registry of Deeds in Book 8928, Page 263, as amended by Order of the Portland City Council on August 16, 2004 relating to ground transportation in and around the Project (collectively, the “Existing Conditions and Restrictions”).

¹ For purposes of this Supplemental Conditions and Restrictions document, “Owner/Manager” referred to herein shall mean, individuals and collectively, the following: IDC, its successors in interest or assigns; individual unit owners, their heirs, successors in interest and assigns; any and all management company retained by or working on behalf of IDC, its successors or assigns and/or individual units owners and their heirs, successors in interest or assigns.

2. Supplemental Conditions and Restrictions. Notwithstanding the terms of the IR-3 zoning text otherwise applicable to the Premises, and the Existing Conditions and Restrictions, those buildings designated as Building 19 (“Hospital”) and Building 46 (“Double Barracks”), the immediate grounds attendant thereto and a portion of the Open Space, all depicted on the site plans dated June 24, 2008 [consisting of four (4) sheets and attached hereto as Attachment 2], all may be redeveloped into individually owned and fully equipped condominium units, sometimes known as “hotelminiums” and a supporting pool/services area on the Open Space. “Hotelminium” is defined as privately owned residential condominium units (with kitchens) located within a structure that offers reasonable and customary on-site hotel services² which are limited to the unit owners, their guests, tenants in residence and members of the DCHA. The Hotelminium units may be rented (in whole or in part by virtue of attached bedrooms capable of being independently rented through a “lock out” system from the remainder of the unit) for varying durations to the general public through a centralized hospitality vendor. The Double Barracks may include up to a maximum of ~~twenty-two (22)~~ twenty-two (22) hotelminium units [with the maximum number of lock out units, included as part of the ~~twenty-two (22)~~ twenty-two (22) hotelminiums and not separate units, not to exceed ~~twenty-twosixteen (22+6)~~ twenty-twosixteen (22+6)] and the Hospital may include up to a maximum of twelve (12) hotelminium units [with the maximum number of lock out units, included as part of the twelve hotelminiums and not separate units, not to exceed twelve (12)]. The units contained within the Double Barracks and the Hospital buildings shall become members of a separate condominium association established for these two rehabilitated buildings, and each unit will also be considered a “lot” within DCHA, subject to all of the applicable restrictions, covenants, conditions, assessments and the like of both DCHA and the newly-established condominium association.

The Double Barracks and the Hospital, both of which may be renovated, are depicted on Attachment 2. The allowable rehabilitation of these buildings may include construction of a new swimming pool and related guest services building on that portion of the Open Space depicted on the site plans, a copy of the relevant portion of which appears as Attachment 2 hereto. The recording of the this Amendment shall be deemed to supplement the Conditions and Restrictions recorded in Book 8928, Page 263 and the “Dedicated Open Space Plan” attached thereto as an Exhibit.

3. Disposal of Solid Waste. All solid waste generated on the Premises shall be collected and disposed of privately, on the mainland, with temporary storage of such waste being handled within the building and disposed of in accordance with all applicable regulations, codes and laws; or if, in the City’s opinion, it would not create an unreasonable burden thereon, at a municipally-operated island solid waste disposal facility. All solid waste shall be stored, collected and disposed of in accordance with the Maine Department of Environmental Protection’s September 2009 Site Location of Development Act Minor Order (the “DEP Order”) for the Inn at Diamond Cove, or

The Owner/Manager shall not provide motorized ground transportation off the Ft. McKinley Project site and the Owner/Manager, its guests, tenants, invitees and employees shall not operate motorized ground transportation of any kind to travel off the Ft. McKinley project site to the pier at the south end of the island except in the event of an emergency. All such transportation shall strictly conform to all existing ordinances, rules and regulations concerning travel outside of the project site to the public pier at the southerly end of Great Diamond Island.
