## Inspection Notes

Certified Food Protection Manager: Jim Hanlon EXP 9/12/24 PIC: Jim Hanlon

Unless directed otherwise, all Eating Establishments are required to submit a copy of their Certified Food Protection Manager (CFPM) certificate. A CFPM must be hired at the time of a new eating establishment opening or within 60 days of when a CFPM leaves employment. For a list of CFPM courses and trainers go to <http://www.maine.gov/healthinspection/training.htm> Please provide a copy of this certification(s) to Tom Williams by emailing [tw@portlandmaine.gov](mailto:tw@portlandmaine.gov) or faxing to (207) 756-8111. Please include the name of your establishment and the establishment ID# with your certification(s).

**Employee Health Policy:**

The Health Inspection Program has implemented an educational public health initiative on Employee Health on March 1, 2017. The policy handouts will be provided to you by your inspector and reviewed during inspection for compliance. They are also available on the Program's website: <http://www.maine.gov/healthinspection>

**Violation Correction Timeframe:**

Critical violations should be corrected on site, but in any event, within 10 days. The licensee must contact the inspector when a violation has been addressed at 874-8772. Non-critical violations must be corrected within 30 days. Failure to satisfactorily correct these violations before the follow-up inspection may result in enforcement proceedings by the Department to include fines and penalties. License renewals can be denied if violations are not corrected within the noted timeframes.

C= Critical violation and NC= Non-critical violation:

“ Critical violation” means a provision of the Food Code that, if in non-compliance, is more likely than other violations to contribute to food contamination, illness or environmental health hazard.

**Additional Inspection Fee:**

License fees provide for two inspections per year. When additional inspections are required, the Department may charge an additional \$100 fee to cover the costs of each additional inspection or visit.

**Document Retention/Posting:**

Pursuant to the Maine Food Code, the establishment's current license must be displayed. In addition, a sign or placard must be posted in a conspicuous area notifying consumers that a copy of the most recent inspection report is available upon request. CFPM certificates must be posted in a conspicuous area and must be available to the Department upon request.
